

Quad Safari

Tours available everyday from Dawn until Dusk

After a short safety briefing and introduction to your automatic Quad you will set off to explore the vast desert that surrounds El Quseir. Your tour will take you into the mountains stopping at points of beauty and interest along the way.

Please cover up head to toe, the sun is strong and the dust prolific! We recommend a local head scarf with sunglasses as the best dust protection.

Single or Tandem Riders
Crash Helmets Available
Minimum Driver Age 16
Minimum Height For Rider 1.2m
